

ALTEMA OIL

Product Data Sheet

ALTEMA CLASSIC 20W50 PLUS API SF/CC Engine Motor Oil

DESCRIPTION

ALTEMA CLASSIC 20W50 PLUS API SF/CC is an entry spec, low tier engine oils designed for use in light delivery diesel engines and petrol engines. This oil contains a balanced additive package to prevent sludge formation and prevent corrosion and wear.

APPLICATION

- Use in light delivery and long distance travelling diesel and petrol engines
- ISO 9001:2008
- SAE
- SF/CD

BENEFITS

- Ultimate Protection for classic cars both naturally aspirated or super charged
- Zinc additives efficiently protects older type engines from excessive wear

PERFORMANCE STANDARDS

ALTEMA CLASSIC 20W50 PLUS is suitable for use where the following specifications apply,

API SF/CC
API SF/CD
FORD, GM
MIL-L 2104D, 2164D
CCMC D2
DETROIT DIESEL
VOLVO VDS
