

# ALTEMA OIL

## Product

## Data Sheet

# ALTEMA SUPER SPRINT 5W30 API SN/CF Advanced Motor Oil

### DESCRIPTION

ALTEMA SUPER SPRINT 5W30 is a fully synthetic engine oil that provides superior protection, cleans and improves the performance of ultra modern engines. Environmentally friendly low emissions. Improves fuel economy, low ash (SAPS), reduces emissions and extends the life of engine parts. Increased power output & better acceleration. Made with 100% Synthetic Base oils.

### APPLICATION

- For high performance petrol and diesel engines

### BENEFITS

- Ultimate Protection - protects mechanical parts and fully preserves engine power in all driving conditions.
- Synthetic Oil - performs better than conventional oil and can satisfy OEM extended drain interval requirements due to excellent oxidation resistance.
- Advanced detergency and dispersancy - advanced detergent and dispersive additive technology keeps engine parts clean.

Fuel Efficient - low viscosity, rapid oil flow and low friction effectively contribute towards easy cold starts and reducing fuel consumption.

### PERFORMANCE STANDARDS

ALTEMA SUPER SPRINT 5W30 API SN/CF is suitable for use where the following specifications apply,

FORD WSS-M2C917A  
BMW Long Life 04  
VW 504.00/507.00  
PORSCHE C30  
MERCEDES BENZ 229 51

## Product

## Data Sheet

### ALTEMA SUPER SPRINT 5W30 API SN/CF Advanced Motor Oil

#### PHYSICAL CHARACTERISTICS

SAE Viscosity Grade		5W-30
Cinematic Viscosity @ 40°C	cSt	96.31
Kinematic Viscosity @ 100°C	cSt	14.37
Viscosity Index		154
Pour Point	°C	-33
Flash Point (PMCC)	°C	215
TBN	mgKOH/gm	8.9
Density @ 20°C	kg/l	0.875
